AMENDED ORDER

Case No. DOPL-2007-224

BY THE DIVISION:

The Division's Stipulation and Order, dated June 2, 2009, in the above-referenced case number is hereby amended as follows.

IT IS HEREBY ORDERED the probationary condition requiring Respondent to work at least 16 hours per week and generally no more than 48 hours per week is amended to allow Respondent to work up to 60 hours per week, provided the extra hours worked do not negatively affect Respondent's ability to comply with the conditions and provisions of the June 2, 2009 Stipulation and Order, his health and his ability to safely work and function as a pharmacist.

The Division reserves the right to limit Respondent's work hours to 48 hours per week if Respondent is often working 60 hours per week and the Division or Board has concerns regarding the number of hours being worked per week. Respondent shall also have his supervising pharmacist log the hours worked per week on Respondent's employer report form.

All other conditions and restrictions identified in the June 2, 2009 Stipulation and Order shall remain the same in effect, unless previously amended.
